

Submission of papers for Review

We solicit research and experience papers as well as research-in-progress and practitioner reports in any of the technical areas listed under Scope and Topics. Submit your paper via the web-based conference management system following the instructions below:

In order to submit a paper for review to SNPD 2019, please go to the Conference Management system <https://www.easychair.org/conferences/?conf=snpd2019>

If you are a new user of EasyChair please create an account to submit your paper and then follow the instructions provided by EasyChair.

If you have previously used EasyChair you may use an already created account to login.

The file that you submit should include the paper title, abstract, keywords, and an introduction followed by the body of your paper. The author's name and address MUST NOT appear in this file. This is to facilitate a blind review.

Upload your full paper in two column format (not to exceed 10 single-spaced pages) via the web-based conference management system in PDF format, or you can submit your paper in the final manuscript format.

The format of the final manuscript should be in a two-column format and 6 pages in length. Up to an extra 2 pages (total of 8) can be purchased at registration time (see the registration form for pricing).

Please select a category from the topics menu. If you cannot find the right category in the menu, select other then please enter a category for your paper at the end of the summary. We need this information when determining reviewers for your paper.

All papers must be submitted through our Conference Management System <https://www.easychair.org/conferences/?conf=snpd2019>.

The program committee will review each submission and judge it with respect to its originality, significance, readability/organization, references and technical quality.
