## Special session/workshop review process instructions

- 1. The authors submit their paper directly to the session/workshop organizer.
- 2. As soon as the papers are received, the session/worship organizer can assign them to be reviewed. You do not need to wait until the submission deadline.
- 3. After the papers are reviewed, the session/workshop chair can selected the papers for the IEEE proceedings or the Springer Book. The maximum number of papers for the Springer book is 15.
- 4. The special session/workshop chair send the acceptance/rejection notifications to the authors.
- 5. After the papers have selected, please send ACIS a list of the accepted papers along with what publications they have been accepted for, and we will send the authors the final submission instructions/registration instructions.
