

中国传媒大学
COMMUNICATION UNIVERSITY OF CHINA

CALL FOR PAPER

**27th IEEE/ACIS International Summer Conference on
Software Engineering, Artificial Intelligence,
Networking and Parallel/Distributed Computing**

(SNPD2024)

July 5-7, 2024

Beijing, China

<https://acisinternational.org/conferences/snpd-2024/>

Sponsored by ACIS, USA

and Communication University of China, China

Important Dates

Workshop/Special session proposal	January 12, 2024
Workshop/Special session acceptance notification	January 26, 2024
Full/Poster Paper submission	April 5, 2024 Extended: May 5, 2024
Acceptance notification	April 19, 2024 Extended: May 19, 2024
Registration & camera-ready papers	April 30, 2024 Extended: May 30, 2024
Conference Dates	July 5-7, 2024

The conference will cover a broad set of research topics as:

New Advances and Practical Challenges in Software Engineering
AI-driven Requirements Engineering and Design in Software Development
Applications of Deep Learning in Predicting and Remediating Software Defects
Design and Optimization of Microservices Architecture
Continuous Integration and Deployment Practices under DevOps Environments
Recent Developments in Automation Testing Technologies for Software Quality Assurance
Role of Artificial Intelligence in Software Maintenance and Evolution Processes
Design and Implementation of Large-scale Parallel and Distributed Computing Systems
Research on Software Reliability and Security in Cloud Computing Environments
Performance Optimization and Tuning for Industrial-grade Software Systems
Quantum Software Engineering: Emerging Opportunities and Challenges
Research on Software Adaptability in Heterogeneous Hardware Environments
Software Defense Mechanisms against Cybersecurity Threats
Study and Application of AI Programming Tools and Frameworks
Synchronization and Communication Mechanisms in Concurrent and Distributed Systems
Building Trust Mechanisms in Software Engineering Based on Blockchain
Application of AI Algorithms in Complex Network Routing Optimization
Synergetic Evolution of Software Ecosystems and Open-source Software
Software Engineering Techniques and Practices for the Internet of Things (IoT)
Innovation in Software for High-performance Computing (HPC) and Large-scale Data Analysis Integration
Ethics in Artificial Intelligence and Responsible Software Development Practices

Submission Instructions

Authors who are interested in the above topics can submit their unpublished work to SNPD 2024-Summer conference via [EasyChair](#). A clear indication of the motivation and comparison with prior related work should be presented. Simultaneous submission to a journal or another conference with refereed proceedings is not allowed.

Submissions must adhere to the following guidelines:

- Papers must be formatted using [IEEE Conference templates](#) file without altering margins or the font point.
- The maximum length is 8 pages for a regular paper and is 4 pages for a short paper (including references).
- Proofs omitted due to space constraints must be placed in an appendix to be read by the program committee members at their discretion.

Publication

SNPD 2024-Summer Proceedings will be published by IEEE Conference Publishing Services and will be submitted to be indexed by EI, INSPEC, and DBLP

Conference officers will select outstanding papers for publication in the following journals

(www.acisinternational.org):

- *International Journal of Networked and Distributed Computing (IJNDC)*, Springer, Germany
- *International Journal of Software Innovation (IJSI)*, IGI Global, U.S.A.
- *International Journal of Big Data Intelligence and Applications (IJBDA)*, IGI Global, U.S.A.
- *Studies in Computational Intelligence (SCI)*, Springer, Germany

Best Paper Award

Conference officers will select papers for the Best Paper Award and Best Student Paper Awards. (in order to qualify for the award, the paper must be presented at the conference.)

Organizing Committee

General Chair

Weiguo Lin, Communication University of China, China

Conference Chairs

Jing Zhou, Communication University of China, China
Simon Xu, Algoma University, Canada

Program Chairs

Jiefeng Liu, Communication University of China, China
Wenqian Shang, Communication University of China, China
Jianbiao Zhang, Beijing University of Technology, China

Registration Chairs

Guohui Song, Communication University of China, China
Yuting Chen, Communication University of China, China

Publicity Chairs

Lingyue Qin, Tsinghua University, China
Kailong Zhang, Northwestern Polytechnical University, China
Yulei Wu, University of Exeter, UK
Patricia Anthony, Lincoln University, New Zealand
Sim Yee Wai, Taylor's University, Malaysia
Sahraoui Dhelim, University College Dublin, Ireland

Local Arrangements Chair

Xin Zhang, Communication University of China, China

Finance Chair

Roger Y Lee, Central Michigan University, USA
