CALL FOR PAPER

28th IEEE/ACIS International Summer Conference on Software Engineering, Artificial Intelligence, Networking and Parallel/Distributed Computing

(SNPD2025)

July 5-7, 2025 - Xi'an, China

https://acisinternational.org/conferences/snpd-2025/

Sponsored by ACIS, USA
and Northwestern Polytechnical University, China

Important Dates

Workshop/Special session proposal	January 12, 2025
Workshop/Special session acceptance notification	January 26, 2025
Full/Poster Paper submission	April 5, 2025
Acceptance notification	April 19, 2025
Registration & camera-ready papers	April 30, 2025
Conference Dates	July 5-7, 2025

The conference will cover a broad set of research topics as:

New Advances and Practical Challenges in Software Engineering
AI-driven Requirements Engineering and Design in Software Development
Applications of Deep Learning in Predicting and Remedying Software Defects
Design and Optimization of Microservices Architecture
Continuous Integration and Deployment Practices under DevOps Environments
Recent Developments in Automation Testing Technologies for Software Quality Assurance
Role of Artificial Intelligence in Software Maintenance and Evolution Processes
Design and Implementation of Large-scale Parallel and Distributed Computing Systems
Research on Software Reliability and Security in Cloud Computing Environments
Performance Optimization and Tuning for Industrial-grade Software Systems
Quantum Software Engineering: Emerging Opportunities and Challenges
Research on Software Adaptability in Heterogeneous Hardware Environments
Software Defense Mechanisms against Cybersecurity Threats
Study and Application of AI Programming Tools and Frameworks
Synchronization and Communication Mechanisms in Concurrent and Distributed Systems
Building Trust Mechanisms in Software Engineering Based on Blockchain
Application of AI Algorithms in Complex Network Routing Optimization
Synergetic Evolution of Software Ecosystems and Open-source Software
Software Engineering Techniques and Practices for the Internet of Things (IoT)
Innovation in Software for High-performance Computing (HPC) and Large-scale Data Analysis Integration
Ethics in Artificial Intelligence and Responsible Software Development Practices

Submission Instructions

Authors who are interested in the above topics can submit their unpublished work to SNPD 2025 conference via Easychair. A clear indication of the motivation and comparison with prior related work should be presented. Simultaneous submission to a journal or another conference with refereed proceedings is not allowed.

Submissions must adhere to the following guidelines:
• Papers must be formatted using IEEE Conference templates file without altering margins or the font point.
• The maximum length is 8 pages for a regular paper and is 4 pages for a short paper (including references).
• Proofs omitted due to space constraints must be placed in an appendix to be read by the program committee members at their discretion.

Publication

SNPD 2025 Proceedings will be published by IEEE Conference Publishing Services and will be submitted to be indexed by EI, INSPEC, and DBLP

Conference officers will select outstanding papers for publication in the following journals (www.acisinternational.org):

- *International Journal of Networked and Distributed Computing (IJNDC), Springer, Germany*
- *International Journal of Software Innovation (IJSI), IGI Global, U.S.A.*
- *International Journal of Big Data Intelligence and Applications (IJBDIA), IGI Global, U.S.A.*
- *Studies in Computational Intelligence (SCI), Springer, Germany*

Best Paper Award

Conference officers will select papers for the Best Paper Award and Best Student Paper Awards. (in order to qualify for the award, the paper must be presented at the conference.)

Best Conference/Symposium/Workshop/Special Session Organizer Award

The Award Committee (general chair & CEO) and the Chairs of the conference (conference chair; program Chair: & session chairs) will select the best organizers for their outstanding contributions and services to the success of the conference/symposium/workshop/special session.

Organizing Committee

General Chair
Jiangbin Zheng, Northwestern Polytechnical University, China

Conference Chairs
Kailong Zhang, Northwestern Polytechnical University, China
Simon Xu, Algoma University, Canada

Program Chairs
Chunyan Ma, Northwestern Polytechnical University, China
Zongtao Duan, Chang'an University, China
Thi-Mai-Trang Nguyen, Université Sorbonne Paris Nord, France

Registration Chairs
Jianchao Luo, Northwestern Polytechnical University, China
Zhenyu Fang, Northwestern Polytechnical University, China

Publicity Chairs
Tao Zhang, Northwestern Polytechnical University, China
Pengfei Yang, Xi'dian University, China
Luyang Wang, Chang'an University, China
Lingyue Qin, Tsinghua University, China
Yulei Wu, University of Exeter, UK
Patricia Anthony, Lincoln University, New Zealand
Sim Yee Wai, Taylor's University, Malaysia
Sahraoui Dhelim, University College Dublin, Ireland

Local Arrangements Chair
Yuying Wang, Northwestern Polytechnical University, China
Yuehui Wang, Northwestern Polytechnical University, China
Hui Feng, Northwestern Polytechnical University, China

Finance Chair
Roger Y Lee, Central Michigan University, USA
